Dear Dr. Cooper:

On behalf of Warner University, I wanted to thank you for teaching courses in both our traditional undergraduate and Master of Business Administration (MBA) degree programs for the 2008-2009 academic year.

The quality of your syllabi, lesson plans, teaching methods, and assessment techniques was excellent, as was your professionalism with the students, peers, and school administration. The business ownership and industry experience you brought to the classroom was very valuable. The high scores and strong positive feedback on your course evaluations and high level of student interest in enrolling in your courses is a testament to your teaching excellence.

You are a valued member of our faculty, and I look forward to your continued association with Warner University.

Sincerely,

Dr. Cynthia Robinson
Dean
